New Program At North Park for 2012

North Park Village will be hosting a Webelos **I**n **T**own **C**amp, this will be a 2 day and one night Camp, designed to allow the 1st and 2nd year Webelos an opportunity to camp right at North Park Village for one night, close to home, with their parent or adult guardian, Monday & Tuesday, June 18-19th.

This program is designed for Webelos I & II and their adult partners **Only**. The activities will be age appropriate and geared for Webelos advancement. Check-in will begin at 8:15 and program will start at 9:00 AM on Monday and continue through 3:15 PM on Tuesday afternoon.

All meals will be provided at this camp (lunch, dinner, snack on Monday, breakfast, lunch and snack on Tuesday). We will have a campfire and exciting evening programs on Monday.

One of the advantages of this camp is that we are close enough to the city, so that a parent that cannot take off from work during the day, will be able to join us after work for dinner and still enjoy the fun and excitement of camp and return to work on Tuesday. It is important to remember that we need to maintain a ratio of 8 scouts to 2 adults during the day.

We will have Boy Scouts available to help set up your tents and we have a few tents available for those that may not have their own tent. This is the first year for this program at North Park and it's sure to be popular so we are encouraging everyone interested to get your registration in early.

Early Bird $75.00 After April15th $95.00 Adult Partners $15.00

Our traditional, **Three Day Cub Scout Day Camp** will take place Wednesday – Friday June 20-22, at North Park with all the favorites that we have come to enjoy, Archery, Crafts, Nature, and a ton of just plain FUN! This camp is open to our brand new Tiger Cubs up through our 2nd year Webelos as well as their siblings. Come on out and enjoy the fun.
