What Other Scouters are Saying About Wood Badge

My recent Wood Badge experience was invaluable. It taught me needed leadership skills while I enjoyed the outdoor experience that instills values in our young men.

John Kirkham
Great Salt Lake Council President

I wish I had done this earlier. This will really help me. Thank you. I will never forget this. My life is changed forever.

Scoutmaster

Thank you so much for the privilege of being a part of a life changing experience.

Cub Scout Leader

I LOVED IT!

Varsity Team Coach

I have been in the Scouting program over 22 years and I learned more than I knew was available. Great Job. Thank you.

Assistant District Commissioner

It was extremely good. I learned what kind of a leader I want to be. I am so glad I came. I thank you, my family thanks you and my Scouts thank you.

Assistant Scoutmaster

Instead of worrying about one person from a ward and two persons from a stake attending wood badge -- why don't we just commit to get every leader trained, including fast start, youth protection, basic training and wood badge immediately after they are called.

President Charles W. Dahlquist, II
