

South Coast District Camporee - April 20, 21, & 22 2018

At Larsen Meadow

S.C. District Camporee theme “**Emergency Preparedness**”

Because of the loss of the main camp at Rancho Alegre we are going to hold a special camporee event at Larsen Meadow this year. There will be space to camp, parking cars, and hold events, but space will be limited. There will be a choice of how to attend camporee:

1. Camp at Larsen Meadow Friday and Saturday night or
2. Just come for the Saturday events and campfire.

Each troop should prepare a competition event to host and run during camporee. I will need the write up information for your event to put in the Camporee Booklet by **March 6th**. We will publish the entire book and present at the March Roundtable. To look at the events from the past few years you can look online at <http://www.southcoastcamporee.com/>. Website will be updated for the 2018 camporee event soon.

You can also search online for event ideas that your troop can do as part of the Camporee. Use the theme and pair with a scouting skill to come up with an event. We will need at least 8 scored events.

Because of the limited space, we will not have the afternoon challenge events this year. Instead, we will have **The Dave Cantin Memorial Dutch Oven Dessert Cook Off Event**.

Online Registration will start **March 19th** and close on **April 12th**.

The cost of the Camporee will be \$20.00 per person. The increase cost is a result of having to rent some equipment and prepare the site. There will be a BBQ dinner option available Saturday night @ \$10.00 per person.

We will need everyone's help to make camporee a successful event.
