

Las Vegas Area Council Shooting Sports Commitment

BSA Volunteers and Leaders, NRA Instructors and NRA Range Safety Officers

I, the undersigned, agree to help the Boy Scouts of America in the creation and/or implementation of the year round shooting sports program within the Las Vegas Area Council, of the Boy Scouts of America.

The purpose of this commitment is to provide the Council with resources to help the shooting sports merit badge program and year round shooting sports program offered to Cub Scouts, Boy Scouts, Varsity Scouts, Venturers, Sea Scouts and Explorer's. This agreement is for NRA Instructors and NRA Instructor Candidates who understand the importance and the necessity of their participation in order to assist the Council in a successful year round BSA shooting sports program. The terms of this agreement are as follows:

1. I will teach or assist with teaching at least two Shooting Sports Merit Badge classes each year, for the next two years. I will strive to have a minimum of 8 scouts in each class and I will teach a minimum of one class each year, in a discipline which I am an NRA Instructor for. These are not just for the unit for which I may be involved with, but for any Scout registered within our Council that may be interested.
2. I will teach each class in compliance with BSA and NRA guidelines, and record each class with the Shooting Sports Committee and the NRA Instructor Portal.
3. I will help recruit at least one additional member to help promote the Shooting Sports Program within the Council and assist in shooting sports activities.
4. I will attend, at a minimum, at least one Council Shooting Sports Committee meeting each year.
5. I will be a staff member or chairman, on at least two BSA shooting sports weekends at a district or council level each year for the next 2 years. These could also consist of an "open shoot" day at a camp range. As an alternative, I can serve as a volunteer staff member for a summer residence camp of three weeks or more.

I understand that this is a voluntary commitment to BSA and that I am willing to fulfill this obligation to the BSA and the NRA for the training which I have or will receive. I am dedicated to helping develop the interest in shooting sports in the youth of America by giving back to Scouting for what I have received. I will do this for a minimum of 2 years.
