Strategic Training Plan Course & My.Scouting Tools Training
Hosted by the
National Volunteer Training/Learning Delivery Committee &
the Las Vegas Area Council Training Committee
October 20-21, 2017—Las Vegas, Nevada

The National Training/Learning Delivery Committee and the Las Vegas Area Council Training Committee will host the first ***Strategic Training Plan & My.Scouting Tools Training*** on Friday, October 20-21, 2017, at the Las Vegas Area Council office, 7220 Paradise Road, Las Vegas, Nevada, 89119. Registration begins on **Friday October 20, 2017 at 12 noon** and opening at 1:00pm – The event will end at 9:00pm on Saturday October 21, 2017.

The *Strategic Training Plan* course has been developed to equip key individuals within the district and council with the necessary skills for improving the council/district training program. Participants learn how to create a flexible and adaptable plan to use in their home districts and/or councils. The course focuses on developing the servant leadership skills of the participants, and it teaches them how to analyze, plan, manage, and evaluate the training plan they help to create.

The Training Manager is a very important component of My.Scouting Tools, and those volunteers who oversee training in their districts and councils should have a thorough understanding of how it works. Instruction on My.Scouting Tools (including the Training Manager) will be provided on Saturday night.

Who should attend

To attend the *Strategic Training Plan* course and My.Scouting Tools training, Scouters must be registered members of the Boy Scouts of America. The content is geared toward council/district training chairs, training committee members, and unit trainers. Volunteers who work with

advancement committees and those who serve in commissioner service—as well as anyone else who is interested in BSA training—are welcome to attend.
