

2009 Adult Membership Recommendation

Each year, following the election of one or more youth, a unit, a district or the council may recommend ONE adult (21+ years) Scouter for membership. This recommendation should be made when the adult's experience in Boy Scouts will make Order of the Arrow membership more meaningful in the lives of the youth members. Adults are expected to provide service to the Lodge/Chapter. It is **NOT** as an honor or recognition of service including current or prior achievement and position. Completing and submitting this form does not establish the acceptance by Tahosa Lodge of the herein named person as a member of the Order of the Arrow. All recommendations must be approved by the Lodge's adult selection committee and the Scout Executive prior to induction. Substitution of another individual at a later date is not permitted. **There are no exceptions.** Be sure all items are filled out completely so this recommendation can be processed without incident. If the person you are recommending was a member of the Order of the Arrow as a youth or an adult in this or another OA Lodge they only need to pay this year's dues and complete a transfer application to reactivate their membership.
