Cub Scout Leader Training

Basic Leader Training is designed to give position-related information to all adult leaders in Cub Scouting. Building on the foundation established in Fast Start Training, Basic Leader Training goes into greater detail.

Every Cub Scout leader should complete Basic Leader Training; it prepares leaders to deliver a quality, fun-filled program. Leaders who understand the whys and hows of the program are more effective in their roles. They know how to use available resources to provide an exciting and worthwhile program for boys. Trained leaders have confidence in carrying out their responsibilities and, along with the boys, have more fun.
