

2022 Holiday Wreath Sales

A Scout is thrifty. This year, the Troop has made changes to make it easier for you to sell and collect payment. Half of the sale goes to your account. If you sell \$900, you'll meet your financial obligation to the troop.

New website app. We are online ordering via a secure website, <https://troop-179-wreath-sales.company.site/>

You can access the site from your computer, tablet or phone. Enter the orders or have your customers do it directly. Just remember to include your name as the seller.

No more pink sheets.

We are no longer collecting paper order forms. All orders go in the app. We will email them to you as they come in. But, still keep track of your orders for your records.

Simpler ordering. We've renamed wreaths. They are now **small**, **medium**, **large** and **x-large**. We updated the dimensions to more accurately reflect their true size, but they are the same size wreaths. Dimensions are in the app descriptions.

Updated prices. The pandemic has forced us to update our prices.
