BALOO

BASIC ADULT LEADER OUTDOOR ORIENTATION

Who should take BALOO?

The BSA requires that you have at least one BALOO-trained adult on every Cub Scout den or pack overnight outdoor event. That includes pack camping and Webelos den overnights.

A BALOO-trained leader should be at any overnights regardless of whether it is a pack, district or council event.

BALOO consists of two components: online and hands-on. You'll need to complete both — in order — to qualify as a "Trained" Cub Scout outdoor leader and receive the BALOO recognition patch.

1. Online component: The online portion of BALOO is available 24/7 on the BSA Learn Center. Just log in to [My.Scouting.org](https://my.scouting.org) to begin. The goal of the online portion is to make the best use of time to allow leaders to experience as much as possible during the practical hands-on training.

2. Practical, hands-on component: This 1.5-day course is designed as an introduction to the Cub Scout outdoor program for leaders interested in adding a camping component to their Pack activities.

Every Scout deserves a  Leader!
