North Central Sector Fellowship was a Great Success!!

What a weekend we had at Maple Dell Scout Camp! It started out with cold, rainy weather on Friday night. The staff was worried whether our candidates would show up to brave the storm, but... we had nothing to fear. Our scouts came ready to take on the weather, mud, scant food, cheerful service and anything else that came their way. There were 57 Ordeal candidates at the fellowship and 6 Brotherhood candidates. They came from all over the North Central Sector and a few from the North Sector. As the Sector Advisor for North Central area, I am very pleased with the dedication these 65 people showed. They are an example for other scouts and Arrowmen of how to show a positive and cheerful attitude even in the worst of circumstances.

On Saturday morning the sun came out and as the day continued we saw clear skies and warmer temperatures. We were very grateful to see that. With the help of the camp ranger, Mark Betato, and staff member Vincent Miller, many service projects were organized and completed. The candidates cleaned campsites, took inventory of picnic tables, moved brush and logs and sent them through the chipper, repaired fencing and put up new fences, and helped the Woodbadge group in the camp take down their tents and get ready to leave, just to name a few.

Many parents came to support the scouts. I am grateful for the interest that was shown by these adults. With the assistance of Chris Stevens, I conducted a meeting for the parents. We talked about what was happening to the candidates this weekend and how they had worked together to complete many acts of service. We also talked about what was going to happen for the rest of the evening and how the parents could work with their scouts to make the most of the Ordeal experience. There were a lot of questions about the Order of the Arrow and ways to keep the boys interested and active after the weekend. There were cameo appearances from our illustrious leaders, BJ Memmott as Lodge Chief and Rick Bean as Lodge Advisor. I feel that the question and answer time was a great success.

Next came the feast. We were served a delicious dinner of pulled Kailua Pork. Simon Lee of the Sioux Chapter and his wife did a wonderful job of preparing the meat. Russ Gaede of the Walkara Chapter and his staff were responsible for all the food. Thanks for making things really yummy guys. I am still hearing positive comments about the meals.

What a fantastic weekend! I want to extend a special thanks to all the staff members who made it such a fun time for all. My Sector Vice-Chief, Devin Halvorson, who took on the role of Ordeal Master and flew with it. BJ Memmott, Lodge Chief, who stepped up to be my Nimat and conducted the Brotherhood class and walk perfectly. William Peterson of the Hotameteano'o Chapter and Hiley Kitto of the Highhillen Chapter and their ceremony teams brought the fellowship all together. Chris Stevens, Sam Johns and Charlotte Hamaker showed us all how to make chokers, dance and some of the regalia that the Indians used in their lives. Thanks to Bob Walsh who stepped up to provide his knowledge in first aid to make sure we were all safe. And finally, Kevin Memmott for his help with registration and the administration side of the Fellowship. I know that there are many more I did not name. Your service is much appreciated and I know your love of scouting will enrich all of us and we associate with you. Below are the names of our new 57 brothers. If you see them please encourage them to participate in the next big event which is TePee Week. We will be at Scofield Scout Camp on August 1st – 6th. Come and join in the fun and keep the Spirit of the Order of the Arrow alive.

Welcome to the Lodge. Yours in Brotherhood,
Paula Stevens – North Central Sector Advisor

Message from Lodge Secretary

Hey there brothers! Its time to plan for the next three years of lodge and section activities. There are many things going on and I'm excited to tell everyone they need to be there cause its going to be a riot!!

The years of service with you all have been amazing! It has been a pleasure to work hard and hardly work with all of everyone!! Remember to serve all your fellows cheerfully and to the best of your abilities. Your scout promise and law are extremely important, even to those around you who don't know you. Everyday we need to be an example of cheerful service to our friends, neighbors, and anyone we come in contact with. When we do this we are inspiring them to join the Mottley Crew we all know and love as the Order of the Arrow.

We live in a world of independence because of our unique personalities, however we need to unify and come together for the betterment of ourselves and our brothers. Through our unique personality traits, we can enrich the games we play at OA functions and add excitement to our daily lives.

All in all, Sectors, Chapters, and Arrowmen alike have something to offer each of us in the lodge. I want you to step up to the plate and show your Guns!! I am truly looking forward to serving you in the best way possible. Together WE can make the Tu-Cubin-Noonie Lodge the next few years The greatest EVER!

"He who serves his fellows, is of all his fellows, greatest."
-METEU

Yours in brotherhood,
Klynton Frederick

“Lodge Strikes Back”

This year we are headed to Scofield Scout Camp where we have a lot of things planned. We will be eating together so no worries about bringing your cooking supplies. We will be doing some service to the camp, enjoying camp activities including the new iceberg in the lake, swimming, shooting guns, archery, having special Jedi training, Pod Racing, Jedi Obstacle Course, Star Wars video Clip competition, Indian workshops and much more. If you would like to make a 1-5 minute Star Wars video, we will have a competition you can enter at camp.

When: Registration will start on Monday night, the 1st of August, between 7-9 PM. No dinner will be served on Monday night. Main activities will not start until Tuesday morning and will end on Saturday at 11 AM.

Food: This year all food will be provided. This will start with breakfast on Tuesday and end with breakfast on Saturday.

What to Bring: Everyone must be in Class A or B uniforms, OA sash, work clothing, leather gloves, warm clothing, swim suit, sleeping bag, personal items, tent, extra shoes, **BSA medical form Part A, B, C**, extra money, regalia and items to trade. If you have Star Wars outfits be sure to bring them. Remember this is a weeklong camp and prepare accordingly.

Ordeal Candidates: Any candidates wishing to come to TP Week will need to make sure they are in camp by 9PM on Monday night. They will bring the same equipment as everyone else.

Brotherhood Candidates: You will need to pay for your Brotherhood sash with registration before arriving or bring your own sash with you. You will also need to bring your Brotherhood letter. These items might include patches, scout items, crafts etc.

All workshops are on a “first come, first serve” basis. It is very important to pre-register! In order for the Lodge to make sure we have all the materials required for your classes we need to know what workshops you would like to do. Remember you will have your \$10 punch card to use for classes. If you wanted to do some of the workshops that cost more, you will need to bring extra money to purchase those workshops. There will also be plenty of crafts for sale so you can build your own things during the miscellaneous workshop class. As always, there will be many craft items to purchase from the lodge trading post.

- Throughout TePee Week, **everyone** will need to be in uniform at all times. The only days you will not be in uniform will be Service Day or Indian Day as you will be in regalia.
- Each Chapter is encouraged to bring something to demonstrate in a founders Day booth on Friday. If you do not know what this is, it is similar to a Scout Expo where you show a skill, knowledge or a game with giveaways etc. If you have any questions contact one of the Lodge Officers.
- Each Chapter is also encouraged to make and bring a **Pod Racer**. We will be judging on creativity and on a timed course the Racers will run. Rules on how to build a Pod Racer will be sent to your Chapter Adviser so please check with them.
