

# STEM in SCOUTING

PG&E and Los Padres Council have partnered in efforts to give our youth special experiences and help them achieve several STEM awards including the BSA NOVA award.

PG&E will be hosting a  
**Electricity Merit Badge Day**

NEW Date:

## June 30, 2018

Registrations is limited to 40 participants. All prior registrants are automatically registered for this date.

Registration Questions should be directed to Paul Bradley at O (805) 461-4019, C (916) 257-9728 or [paul.bradley@scouting.org](mailto:paul.bradley@scouting.org)

**FEE: \$5.00 Registration** (Monies are used to pay for indirect overhead fees of event.)

**Refreshments and Facility are provided by PG&E.**

PG&E Education Center  
6588 Ontario Rd, Avila, CA

9:00 AM to 1:00 PM

**Prepared. For Life.®**

## *Greetings Scouts*

PG&E is excited to offer the Electricity Merit Badge.

You will enjoy a day of interactive presentations and activities for this event, so bring your enthusiasm and curiosity as we explore the world of Nuclear Science.

When we've completed our time together, you should be able to go back to your school classrooms and pass along all the knowledge and excitement you've learned here.

**We will use the Electricity workbook (revised 2013) located at:**

[http://meritbadge.org/wiki/index.php/Merit\\_Badge\\_Worksheets](http://meritbadge.org/wiki/index.php/Merit_Badge_Worksheets)

We will review and complete most of the requirements for the Nuclear Science Merit Badge at the **PG&E Education Center, 6588 Ontario Rd, Avila, CA** during your visit. So, there is no need to complete the workbook prior to the class unless you want a better understanding of the class material (except for Section 4).

There are some items **you will need to complete prior to arriving** at the PG&E Education Center Electricity Workshop:

- 1) Bring your filled-out BSA merit badge blue card with you**
- 2) Complete requirements 2 and 8 of the Electricity Workbook.**

If you have any questions prior to arrival at the Electricity Workshop, please contact the following individuals:
