Learning for Life Character

Camp is a one-day camp experience for students in K4 through Grade 6 and is an integral part of the Learning for Life character and career education program. The camp is designed to provide age-specific outdoor education and real-life character development experiences to students in Milwaukee County.

*Where
fun-filled
memories...*

*...become
teachable
moments*

Activities at Character Camp are designed to reinforce the Learning for Life character values students have learned in the classroom throughout the school year. Through team-building exercises, students have the opportunity to put into practice Respect, Responsibility, Honesty/Trust, Courage, Perseverance, Caring/Fairness, Citizenship, Life Skills and Self-Discipline.

Character Camp is a pivotal opportunity for these students, many of whom have never experienced a day at camp. Community support is vital to ensure all young people can benefit from participation in Character Camp.

*You have the power to
change lives*

You can help change the lives of students in our community by giving them a chance to become creative, productive, forward-thinking citizens through Learning for Life Character Camp.

Support for Character Camp

Even in a tight economy, our youth still depend on us for growth and development. These students will be the leaders of tomorrow's world, and it is our responsibility to make their future a bright one.

The greatest impediment to getting children to Character Camp is the cost of transportation. In this time of strained school budgets, schools cannot manage transportation expenses without assistance. Your support can make Character Camp a reality for these students.

*You can make
a difference*
